ABOUT COMMUNITY ACTION GHANA

THE COMMUNITIES' PRIORITIES ARE OUR PRIORITIES

Working with local communities, our organisation helps build toilets and libraries.

We officially established the charity in 2020, however our work in Ghana began in the 1960's with two teacher's volunteering in the country. All these years later we continue to work with friends - old and new - to meet the needs of the people living in the Volta Region of Ghana.

25 %

of the total population in Ghana lives on less
than \$3.20 per day

76 %

of households in Ghana drink contaminated
water
